VICTORIA FALLS

Also known as Mosi-oa-Tunya – the ‘smoke that thunders,’ Victoria Falls stands among Africa’s iconic attractions. Straddling Zimbabwe and Zambia, it’s a spectacle of immense beauty and noise, with columns of spray visible from afar. The Victoria Falls town is located in the Zimbabwe side of the falls with about two-thirds of the falls. The peak flood season in March-April offers the full grandeur.

What to see

Experiences

Engage in adrenaline-pumping adventures such as bungee jumping off the iconic Victoria Falls Bridge, zip-lining through the lush canopy, or white-water rafting on the Zambezi River.

Elephant's Walk Shopping & Artist Village

Discover Zimbabwean and African crafts at boutique stores and galleries.

Cultural Encounters

Immerse yourself in the local culture with visits to traditional villages or cultural centres. Experience traditional music, dance performances, and culinary delights, gaining insight into Zimbabwean heritage and customs.

Wildlife Encounters

Embark on safari excursions to nearby national parks or wildlife reserves, where you can spot a diverse array of African wildlife, including elephants, lions, hippos, and more.

Shopping and Dining

Explore the vibrant markets and boutique shops for locally crafted souvenirs, artworks, and handcrafted goods. Indulge in delicious Zimbabwean cuisine at restaurants and cafes, experiencing the flavours of the region first-hand.
