PARFUMS

Karl Lagerfeld always enhanced the form of materials in his designs whilst never changing the essence. This is an intuitive talent that the visionary designer applied in his fragrances - transforming iconic perfume ingredients into unique fragrances.

Re-designed with the perfect proportion of freshness and naturalness, the luminous Eau de Parfum plays with textured femininity. Powdery velvety notes elevate the softness to supreme elegance and create unprecedent skin effects. Its scent and aura glide over the skin, leaving a sensual velvety patina.

Fleur de pêcher dresses the skin, taking on a sophisticated floral elegance and classicism with a modern twist.

Perfumer Emilie Coppermann about her inspiration for Fleur de pêcher

"I wanted to translate the powdery airiness of a peach-coloured silk veil, gliding over the skin. Peach Blossom is enhanced by the evanescence of an ephemeral Jasmine Tea. The reverberation of a stylish lamé fabric emerges to set a new pace with an effervescent sparkle, dazzling us with Nashi Pear and Yuzu. Then, a cottony depth settles in, like a trail of tenderness where Blond Woods and silky musks nestle together."

Tanqueray NEW

No. Ten Gin

Charles Tanqueray created the world's finest London Dry Gin in 1830 and it is made today to the same classic, timeless recipe. Tanqueray No. Ten was created with this heritage in mind and set the standard as one of the very first ultra-premium gins. Tanqueray No. Ten is distilled four times with the classic gin botanicals of refreshing juniper, peppery coriander, aromatic angelica and sweet liquorice. Fresh whole citrus fruits and chamomile flowers are then added to create a better taste.

Amarula

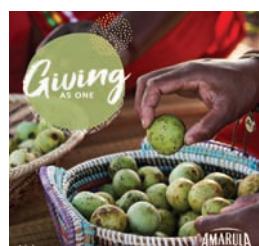

Cream

Amarula is authentically African, made from the uncultivated, sun-ripened, hand-harvested organic fruit of the sacred marula tree. This is blended with exotic ingredients to create distinctive and unique tastes for all to enjoy on any occasion. The original cream liqueur, made from the delicious marula fruit of sub-Equatorial Africa, the marula spirit is distilled and aged in French oak for two years. It's then blended with our velvety cream to create the smooth taste of Amarula – best savoured over ice, preferably with a view!

Tasting notes: Fresh, smooth and well-rounded. Full, creamy taste with hints of exotic marula fruit, both in the mouth and in the delicious after-taste.

The African marula tree (*Sclerocarya birrea*) is also known as the elephant or marriage tree. Elephants, as well as many other animals, will travel far and wide to snack on the delicious plum-sized fruits. The myth that they become drunk on the fermented fruit is just that, but the fruit is full of vitamin C and enjoyed by all once the elephants have shaken them off the trees.

Note: For transit passengers travelling to London, Paris or Amsterdam, any liquor or fragrances purchased on board must be placed by the crew in the authorised sealed transparent bag. Do not open this bag until you have reached your final destination. Please retain your proof of purchase throughout your journey. Please note, some "spy" qadgets may be banned in certain countries.

OUR PROMISE

GOODS MUST BE RETURNED UNUSED AND IN THE SAME CONDITION AS PURCHASED. Contact the Key Accounts Manager: Tel: +254 682 7750/1

Should you not be satisfied with your purchase, kindly return it to us within 28 days of purchase and we will gladly refund you. Faulty or broken items will be repaired under the terms and conditions of their respective guarantees. Warranties on any items purchased do not cover/include the batteries.

METHODS OF PAYMENT

Cash:

- US Dollars.
 - Other currencies (notes only): We accept most major currencies, including Kenyan Shillings.
Please ask your cabin attendant for details.

Credit cards:

Credit cards are only accepted for purchases over US\$20. Due to on-board authorisation limitations, credit card purchases are limited to US\$300 per passenger. (Subject to change without notice.)

Why the limit? Unfortunately, credit card fraud is rife! You'll be asked by cabin crew to present your passport and ticket, together with your contact details, when paying by credit card. Please don't take offence – this is, in fact, a request from the credit card companies and is designed to protect you as much as ourselves.

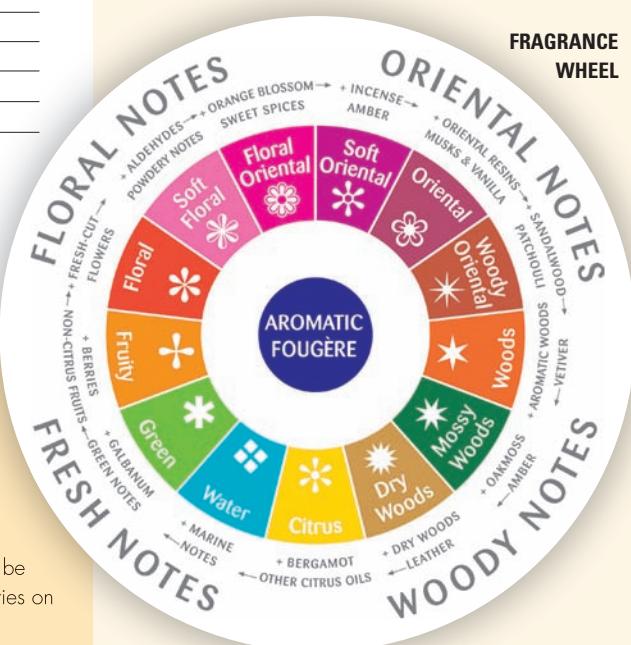

Ways to pay:

Traveller's cheques: Please note, we no longer accept traveller's cheques on board.

Debit cards: Not accepted.
